

DAYNA'S FIRST SUMMER AFTER GRAD SCHOOL

- This summer I have been volunteering at my church, Common Ground Christian Church, in the children's program. My church group plans activities, and we hang out with the children there.
- I am volunteering at the Julian Center. I really enjoy the Julian Center.
- I am also looking into a special education license to enhance my work at the Indiana School for the Blind.
- I am finishing up my school's yearbook.
- Most of my time this summer is spent at the Lawrence Summer Kids Camp. I am a counselor at this K-6 camp. They pay me hardly anything, but it's a great way to spend a summer!
